

Bridgestone Vietnam inaugurated Fleetpoint Hoang Tu in Ho Chi Minh City

Ho Chi Minh City - June 1st, 2017, Bridgestone Vietnam officially inaugurated the Truck/Bus Tire Service Center – Fleetpoint Hoang Tu at 2517, National Road 1A, Tan Hung Thuan Ward. District 12, HCMC. This is Bridgestone's 15th Fleetpoint in Vietnam and the only Truck and Bus service center in Ho Chi Minh City.

Currently, there has been more than 300 large and small transport enterprises in Ho Chi Minh City. Here is also one of the largest cargo transportation hubs over the country. The transportation activities are extremely bustling not only in the inner city but also spread to the neighboring provinces.

Along with the development of transport industry, Bridgestone Vietnam continues to invest in comprehensive services and develop a strong Family Channel system. The inauguration of Hoang Tu Fleetpoint Truck/Bus Tire Service Center has marked the comeback of the truck/bus service center model in Ho Chi Minh City, as well as a milestone in Bridgestone's commitment to further expand the Fleetpoint model system in this city.

Located on the National road 1A, Hoang Tu takes the advantage of the key location of the city traffic intersection. Moreover; with the high-level modern equipment such as a tire changer, tire safety cage, especially the standard American alignment system that will be available this year; Hoang Tu always focuses on improving the service to meet the customers' fundamental requirements.

With experienced technical staffs trained from Bridgestone, Hoang Tu truck/bus service center provides drivers the best time-saving service to minimize waiting time and increase tire efficiency for transport businesses. In particular, the drivers can also experience the comfortable atmosphere in the waiting room while resting for truck service, refreshing the physical and mental before and after each trip.
