Bridgestone Vietnam contributes to COVID-19 healthcare and rescue operations to help the community overcome difficulties

Ho Chi Minh City, (September 20th, 2021) – Bridgestone Vietnam (Bridgestone) is dedicated to making an effort to support the community and offer valuable solutions to customers even during the 4th wave of the COVID-19 pandemic in Vietnam.

Vietnam has faced many challenges in combating the coronavirus outbreak. However, despite the severity of the 4th wave of COVID-19, the Vietnamese have also shown their resilience and unity in tough times. Nationwide, the spirit of “joining hands to fight against COVID-19” is being promoted to organisations and individuals. Bridgestone Vietnam has made several contributions to help the society overcome difficulties together.

In addition, Bridgestone will sponsor 50,000 four-layer antibacterial face masks and 600 bottles of liquid hand sanitiser for Bridgestone Passenger Tire Service Centres (Premium B-select, B-select, B-shop) nationwide and the Bridgestone Truck/Bus Tire Service Centre (BTTC, Fleetpoint). Bridgestone hopes to show care and timely support to the Bridgestone Family Channel and ensure safe working conditions for workers in this re-opening period.

Mr. Sadaharu Kato, Managing Director of Bridgestone Vietnam, shared: *"Our mission is to serve the society with superior quality. With the 4th wave of COVID-19 infections in Vietnam, we aim to spread the message of "safety" not only on the roads, but also during periods of "high tension" in Vietnam. By joining hands, contributing to the community, and supporting our Bridgestone Family Channel, Bridgestone will continue to walk hand in hand with customers in the nationwide journey to fight COVID-19 together".*
